PROJECT FINANCE CONSULTANT

A vacancy exists in the Tshwane or Woodmead office for a Project Finance Consultant to commence duties as soon as possible.

MAIN RESPONSIBILITIES

- Assess available finance structures in both the public and the private sector to determine how they can be used to achieve specific project objectives for SSI
- Originate, negotiate, structure and secure project finance deals
- Facilitate transactions through Public Private Partnership (PPP) in infrastructure
- Be custodian for ORIO grant applications and direct procedures within SSI for ORIO
- Write and present investment proposals to investment partners
- Negotiate project financing transactions with key participants
- Support Project Managers with financial structuring of projects
- Review legal agreements and term sheets
- Project finance analysis involving cash flow analysis, ratings and calculations involved in project finance transactions
- Credit applications with various financial institutions and donor organisations
- Design and construct innovative financial models as well as making necessary modifications to existing financial models
- Manage financial risk on projects where SSI is taking PPP risk

MINIMUM QUALIFICATIONS

- Tertiary qualification in finance with engineering project experience

KNOWLEDGE & EXPERIENCE

- Experience of at least 5 years in the field of finance and banking, ideally complemented by experience in the field of engineering consulting
- Proven experience in project management
- Knowledge of legal documentation with good knowledge of contract law
- Business and financial acumen
- Excellent verbal and presentation skills
- PC skills: good working knowledge of Microsoft Word, Excel and PowerPoint
- Strong analytical and problem solving abilities

BEHAVIOURAL COMPETENCIES

- Team player with positive, problem solving “can-do” attitude
- Strong client centricity orientation

Written applications supported by a CV should be submitted to:
